a/ See Note on FOREWORD page.

b/ Figures may not add to totals due to rounding.

c/ Approved Force Retention Stock was deleted as a category effective September 30, 1991. Data has been consolidated into this category.

d/ This category, formerly titled Unstratified Assets, was renamed effective September 30, 1991.

e/ Numeric Retention Stock was deleted as a category effective September 30, 1991. Data has been consolidated into this category.

f/ Army inadvertently omitted munitions & related equipment valued at \$12+ billion dollars. The \$12+ billion dollars are not included.

g/ DoD 4140.1-R, "DoD Materiel Management," dated January 1993, no longer requires principal items to be broken out by retention category, since principal items are not part of the DoD stratification process.

h/ The reduction in value from 1991 to 1992 reflects the removal of whole tanks and helicopters from the principal item value. Prior to 1987, tanks and helicopters in the repair cycle were included in this report. From 1987 to 1991, all tanks and helicopters were included. The policy as of January 1993 is not to include tanks or helicopters, since major weapon systems are reported elsewhere and are not part of the supply system inventory for any Service.
